FORM. FUNCTION. PRECISION.

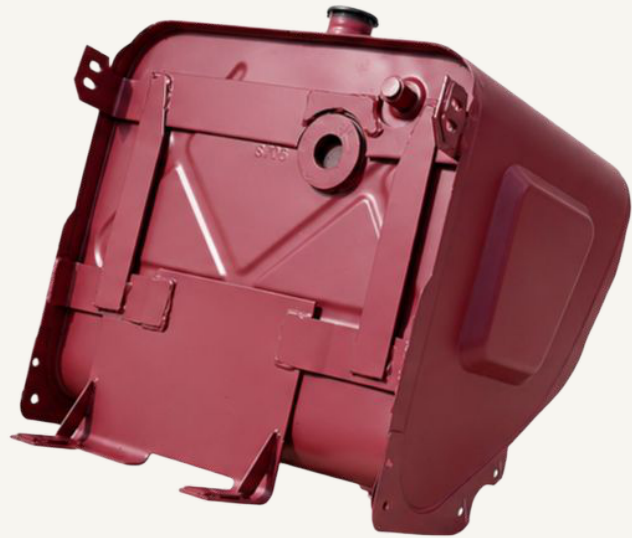

Built around *your next assembly.*

Sheet metal. Tanks. Structural components.
Industrial hardware.

01 / FUEL TANKS

Fuel tanks & fluid reservoirs

Fuel tanks, deep-drawn
containers and metallic
reservoir assemblies.

02 / SHEET METAL

Structural panels

Pressed components and body panels
for automotive and industrial assemblies.

03 / ASSEMBLIES & HARDWARE

Brackets, tanks & hardware

Mounting brackets, pneumatic tanks
and specialized welded components.

From concept *to production.*

ONE CONNECTED MANUFACTURING PROCESS

01 Prototype

CAD/CAM support

02 Tool & form

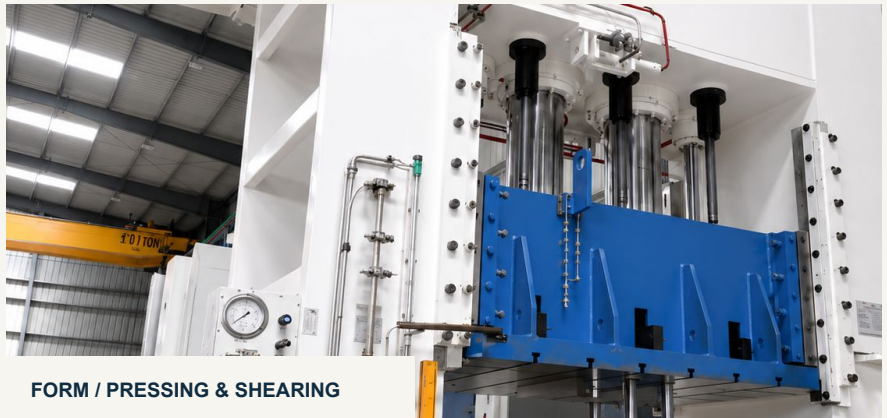

In-house machining

03 Weld & finish

Integrated processing

04 Inspect

Dimensional checks
